Welcome to this Pleasantly Nude location

where safety, freedom, respect, openness and hospitality are paramount.

Nothing beats enjoying nudity in a place where you feel free and at ease. But it's not always obvious how to create such a place. That's why NFN (the Dutch organisation representing the interests of nude recreation) initiated the 'Pleasantly Nude' label in 2011.

Locations with this label explicitly pursue the core values of **safety, freedom, respect, openness and hospitality**. As a result, everyone can relax nude in a pleasant way.

What you can expect from a Pleasantly Nude location:

- ✓ If the weather and personal circumstances permit, visitors are expected in principle to be nude. The sensitivities and ages of growing children are taken into account, and are treated with discretion.
- ✓ It is clearly indicated where nudity is appropriate (e.g. in the swimming pool) and where it is not (e.g. in the restaurant). Other specifics or agreements that apply at the location will also be clearly communicated.
- ✓ The atmosphere is friendly and respectful. Guests who are (relatively) unfamiliar with nude recreation are shown around in a helpful and courteous way.
- ✓ There is respect for everyone's individual sensibilities and choices with regard to nude recreation, provided that people do not cause any nuisance to each other. This means that anyone with a valid NFN card is welcome, unless they behave unacceptably.
- ✓ If someone exhibits annoying or

offensive behaviour that disrupts the pleasant atmosphere, he or she will be called to account. The location manager will act with integrity and appropriately in the event of reports or suspicions of unacceptable or undesirable behaviour.

- ✓ Staff and guests are committed to conserving nature by using energy, water and waste in a sustainable and responsible way.

Safety first: What if you notice that one or more of the above agreements at the Pleasantly Nude location are not being correctly observed, or not at all? Don't keep it to yourself, but discuss it with the manager. If the situation does not improve, report this to NFN at prettigbloom@nfn.nl.

Describe as clearly as possible what happened and when it took place. NFN will contact you in response to the report and discuss how it will be followed up. By doing this, we maintain the Pleasantly Nude values together!
